Hurricane Prep

Prepare yourself and your home for any disaster. There are many crucial factors to consider to keep your family safe. Join our interactive course now to learn how to be ready for whatever comes your way! Hurricane season June 1 - November 30

Identity Theft

This class is designed for anyone who would like to acquire a basic understanding of what happens when someone fraudulently acquires and uses a person's private information without their permission. Examples of real work cases will be provided to assist attendees with developing and bettering understanding the risks involved with being a victim to identity theft.

Homeownership 101

Homeownership can be a very rewarding yet stressful experience. This course is specifically designed for those who feel they are ready to take the leap! It will provide information needed to avoid the many pitfalls of first-time homebuyers and outline the initial steps in the beginning of your homeownership journey. This course will also dispel those pesky homeownership myths, and help potential buyers understand the pros and cons of ownership. If you've recently been bitten by the homeownership bug this is the first of many classes to help you prepare for a lifetime of sustainable homeownership!

Financial Foundations

Designed as an interactive course that addresses attendee's emotional relationship with money and calls them to take immediate action to improve their financial futures. The course will highlight the importance of building savings, developing a spending plan, and reducing debt. Attendees will have access to free one on one coaching for encouragement and support in applying each of the foundations.

The Credit Game: How to Play and Win

Designed for anyone who would like to better understand the many ways their credit score can affect their future and learn strategies to take control of that future today, this course reviews the four main components that impact credit, what creditors look for making credit decisions, finding and correcting errors on a credit report, and strategies to improve credit.

Financial Recovery

Designed to bring hope to families struggling to recover from a financial setback, this course will equip participants with proactive, practical strategies for getting back on their feet. The objective is to help participants visualize a brighter future and realize that their current financial difficulties don't have to be permanent.

Benefits of Banking

A great course for those with little experience using banks; this course introduces the basics of opening and maintaining checking and savings accounts. The course addresses the hidden traps of check cashing and payday loans as well as introducing participants to the wide range of free websites available to help better manage their finances in order to reach financial goals.
